

U-PASS Special Circumstance Opt-In Form

In most cases, all part and full-time undergraduate students on the Quesnel campus who are members of the Northern Undergraduate Student Society (NUGSS) are assessed the mandatory U-PASS fee. In the case of regional or field study courses or extraordinary circumstances, this fee may not be automatically charged to a student account. Under these circumstances, a student may be eligible to opt-in to the U-PASS membership. Each circumstance is treated individually and will be reviewed and decided by the City of Quesnel and the Northern Undergraduate Student Society.

This form must be submitted during the current semester with appropriate documentation (see below)
